

PROSE Safety Bulletin No. 1 - June 2025

Useful Links for Vehicle Recovery

Advice for recovery operators on our motorway network.

Recovery operators are reminded that there is information and guidance towards safer recovery practices to be found on the National Highways Website:

www.nationalhighways.co.uk/road-safety/advice-for-recovery-operators-on-our-motorway-network/

Running a vehicle recovery business: driver and vehicle safety rules

Additionally DVSA guidance can be found on the Government website:

www.gov.uk/government/publications/guide-for-recovery-operations/running-a-vehicle-recovery-business-driver-and-vehicle-safety-rules#operator-licensing
